

Alternative 1

Existing Condition

19th Street/Old Happy Jack Road Intersection

Pros:

- Lowest Cost Alternative
- Maintains connectivity between 19th Street and Old Happy Jack Road

Cons:

- Intersection does not meet current roadway standards
- No flood plain improvements are included as part of this alternative
- Greenway path crosses at grade with 19th Street
- 19th Street intersection will need to be signalized by 2030
