

Cheyenne
Metropolitan Planning Organization
Citizens' Advisory Committee

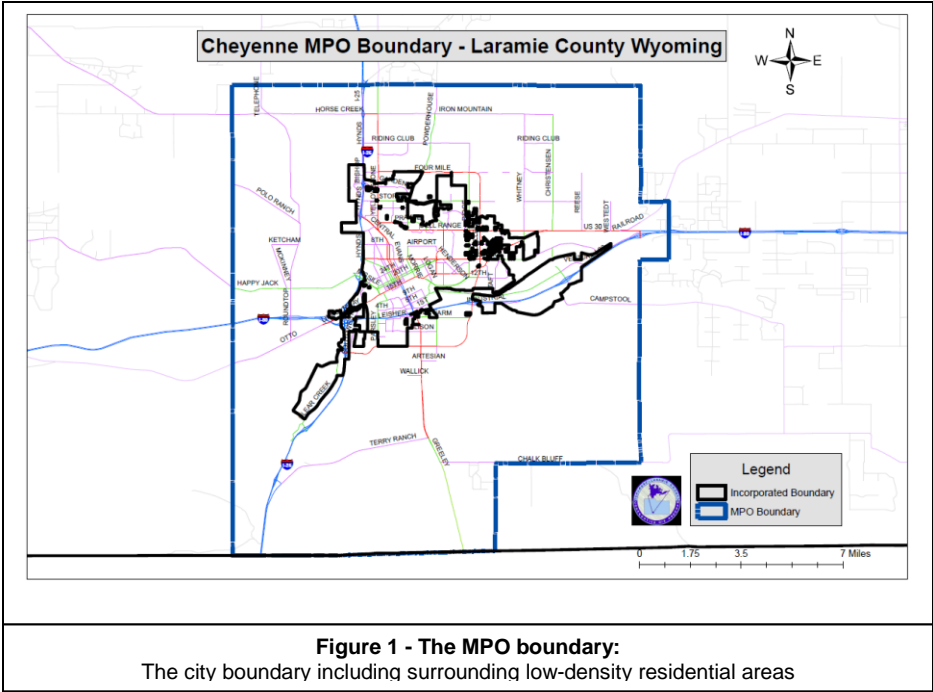

The (MPO) is accepting applications for their (CAC).

The MPO carries out transportation planning for all modes in the urbanized region of Laramie County and Cheyenne.

Members of this committee shall serve as a primary means of public input for the products and plans of the Cheyenne (MPO) and as representatives of the citizens of the Cheyenne metropolitan area. The Committee may consist of representatives from organizations with transportation related concerns or citizens with a particular interest in transportation. Members must live within the MPO boundary. See map below. The prospective members will be required to submit a short application that includes their interest in transportation matters.

If you are interested in applying please download application at:
