

Planning Commission Meeting Announcement Lincolnway Placemaking: Pedestrian and Urban Design Plan & Dell Range/Prairie/Section 20 Corridor Study

The public is invited to attend the City of Cheyenne Planning Commission Meeting to hear a summary and provide feedback on the recommendations of two important MPO planning projects. These two projects include the **Lincolnway Placemaking: Pedestrian and Urban Design Plan** and the **Dell Range/Prairie & Section 20 Corridor Study**. The Lincolnway Placemaking Plan includes extensive analysis and recommendations to enhance the pedestrian and urban design experience in downtown through a variety of strategies. The Dell Range/ Prairie & Section 20 Corridor Study looks at improving the safety and mobility of all users in this busy transportation corridor. Staff and Project consultants will be present at the meeting to provide an overview of these two projects and address questions. The Planning Commission Meeting will be held on Tuesday, **January 19th, 6:00 p.m.** at the City Council Chambers, 2101 O'Neil Avenue. Contact the Cheyenne MPO at 638-4385 to review the Plan or at <http://www.plancheyenne.org/>
