In Summary...

The New Paradigm: Integrated Access Management

Expanding our vision to encompass a variety of integrated access strategies.

Integrated Access Management

- A single program with benefits for multiple modes makes individual elements stronger.
- Respecting the needs of participants to occasionally vary their modes helps overcome initial reluctance.

Roadmap to Change

Separate parking and transportation departments

City Parking Director

Organizational “silos”

- On-street management (Parking)
- Enforcement (Parking and Police)
- Finance/Accounting (Finance)
- Asset Maintenance (Facilities and Maintenance)
- Skywalks (Public Works)
- Customer/potential customer inquiries (Finance)

DOWNTOWN STRATEGIC PARKING PLAN

PRESENTATION

Roadmap to Change

Parking Strategic Action Plan

- Six month process; jointly funded
- Bold recommendation: Transfer oversight of system
 - Parking should not be the City's top priority
 - Downtown stakeholders had a significant financial stake
 - Full-time, proactive, dedicated strategic oversight was needed
 - "Debt free" system was losing money
 - Potential tenants were being turned away
- Who Was Involved?
 - City staff and leadership
 - BID and Downtown Association
 - Union leadership

Setting a New Vision

Vision: To enhance the downtown tenant and visitor experience and be a catalyst for economic development.

Mission: To provide efficient, convenient and affordable parking options for Downtown Cedar Rapids.

Values:

- Deliver **exemplary customer service** every day
- **Leverage technology** to enhance the customer experience
- Use parking as a tool for **economic development**
- **Protect downtown patrons** through security efforts and amenity services
- Provide **convenient parking options** at lower than average rates
- **Promote downtown** business, services, entertainment and recreation

Ingredients for Success

- Build and maintain strong relationships
 - City, Downtown Association, BIDs, private parking operators, key stakeholders
- Staff integration and training
 - Union/Non-Union
 - City/private
 - FTE/PT/Seasonal
 - Downtown ambassador training
 - Conflict management

DOWNTOWN STRATEGIC PARKING PLAN

Kimley»Horn

PRESENTATION

Ingredients for Success

- Citizen stakeholder committees
- Take your “show on the road”
- Accessibility and accountability
- Frequent user focus groups
 - Customers interact with technologies, react to policy proposals
 - Include diverse user groups
- Put parking in context
- Daily management vs. strategic visioning
- Activate the phone tree (there is no need to reinvent the wheel)
