Laramie County –

Current Projects

- Paving Archer Parkway and some interior roads at the Events center at the Archer Complex
- Road 142 FDR and paving
- Design for the Wallick and Division corridor

WYDOT –

2024 Season

- US 30 (Pershing to Christensen) - Fully opened to traffic. Reiman and Aztec did an amazing job and the project went very well.
- College Drive - (I-25 to S. Greeley Hwy) - Nearly complete, successful project.
- Central Avenue (Yellowstone to Kennedy) - Concrete slab replacement will continue into winter. Work added in front of the Governor's Residence.
- I-80 (Roundtop to Central) - Completed, but working with the contractor to correct some substandard pavement. Expect corrective work on I-80 next season.
- I-80 Over height Detection System (east of BNSF overpass) - System is operational
- I-25 SB On-Ramp at Central Ave - Completed, this was a safety project to provide additional sight and merge distance.

2025 Season

- Warren Ave (24th to Pershing) - Overlay, spot curb and gutter replacements
- US 30 (Christensen to Archer) - Will be overlaying the existing roadway due to poor pavement. Widening of this section has been deferred to future years.
- College Drive (S. Greeley Hwy to LCCC) - Overlay
- College & 12th Ave - Replacement of Concrete intersection (will need detour routes)
- I-25 NB on Ramp at Missile Drive - Concrete Replacement (will need detour routes)
- College Drive/Four Mile Rd (Dell Range to Yellowstone) - Chip Seal
- Roundtop Road (Otto to Happy Jack) - Chip Seal
- Pedestrian Overpass Lighting Upgrades at I-25 overpass near McCormick JH, and I-80 overpass east of Parsley Blvd.

10. Other Business Next Meeting – March 5, 2025
